

Zeomineral *Xan-Milk*

Body spray for tired skin Natural cosmetics

Emulsion body spray with algae extract and nature's rare active ingredients!

The nutrient-deficient, tired, sore body and skin need a natural, fast-absorbing preparation that contains nourishing oils and anti-inflammatory herbal extracts. It is efficiently relieves the pain of muscle cramps, strains and sprains.

Astaxanthin is soaked in cold-pressed apricot kernel oil. The main constituents of apricot kernel oil are oleic acid (60-70%) and linoleic acid (20-30%), both are unsaturated fatty acids.

This emollient and dryness-relieving oil is recommended for the prevention of the symptoms of premature skin aging and for the care of sensitive skin prone to inflammation.

Its natural vitamin content (A, E, C) helps skin to regenerate.

Body spray for tired skin Natural cosmetics

Astaxanthin: a natural carotenoid extracted from the microalga *Haematococcus pluvialis*. It is an effective antioxidant; it protects cells and tissues from the damaging effects of free radicals.

It can help inhibit cell aging and help the body respond to oxidative stress.

The most powerful natural antioxidant in the world!

Lavender oil: The main ingredients are the anti-infective and sedative linalool and linalyl acetate, as well as the antiseptic and analgesic cineol.

Thanks to its anti-inflammatory effect, it is also excellent for treating acne, acne prone skin, as well as insect bites, sunburn and eczema. It treats various skin inflammations and accelerates wound healing. Controls sebum production.

Lemon oil: A herbal oil with outstanding antiseptic, antimicrobial and antiviral effects.

Ginger Root: Contains magnesium, phosphorus, calcium, iron, and copper to help with collagen production. Collagen is a major component of skin tissue, requiring continuous nourishment to prevent premature skin aging.

Lapacho bark: An extract, which can help with fungal, viral, and bacterial infections.

Comfrey: a herb with exfoliating properties that stimulates tissue regeneration and promotes wound healing.

Ginseng root: gives vitality, healthy colour to the skin. It regulates the blood circulation and moisture content of the skin.

Grapefruit Seed Extract: Makes skin younger and healthier. Thanks to its high content of antioxidants, vitamin E, linoleic acid, flavonoids, and polyphenols, it helps neutralize free radicals and provides protection against external harmful effects.

Does not contain petroleum derivatives, dyes, preservatives!
