Body spray for massage Natural cosmetics

Oil-based body spray. Nourishes, tightens and brightens your skin. It helps prevent wrinkles due to sun exposure in summer and is effective against cold cracking in winter. It makes skin areas such as the elbow, knee, and nail bed velvety in a matter of moments.

Recommended for massage and kneading.

Black cumin oil: Also known as the "gold of the pharaohs," Cleopatra and Nefertiti may have owed their velvety, beautiful skin to this oil. It reduces the unpleasant symptoms of eczema and psoriasis.

The oil extracted from the seed contains many vitamins, minerals and amino acids:

Vitamin E (very high) - antioxidant vitamin that renews cells.

Palmitol - stimulates collagen production.

Protein, amino acids - the basic building blocks of cells.

Natural stearic acid - emollient.

Thymoquinone - anti-inflammatory antioxidant.

Nutritious, beautifying vitamins B1, B2 and B3.

Zinc - repairs skin damage.
