

Zeomineral

# Asta-Vit

Complex multivitamin tablets with more than 25 ingredients

Our Zeomineral Asta-Vit multivitamin tablets contain all vitamins, minerals and trace elements in an ideal form, amount and proportion.

The primary consideration while formulating it was to make sure that the daily dose contained the ideal amount the body needed, and that the ingredients were selected to support and strengthen each other's effects.

- 26 essential ingredients in one tablet.
- A complex multivitamin with astaxanthin and rutin in ideal amounts and proportions for the body.
- Vitamins and minerals that support the functioning of the immune system, nervous system and metabolism.

*Xan-generation of lifestyle*
