

Zeomineral *Asta-Biloba*

Dietary supplement capsule containing Ginkgo biloba, Citrus bioflavonoid and Astaxanthin

- Ginkgo Biloba: supports brain function, enhances memory and cognitive functions, and ensures healthy blood flow. It has been proven that ginkgo biloba may prevent stroke and also helps recover from the condition after a stroke. It also has a positive effect on mental health and on mood.
- Citrus bioflavonoid: 4,000 different types of flavonoids are distinguished. Their advantages: reduce the fragility of the capillaries, so bruising and oedema can be prevented or treated, they may slow down the process of aging, and they also have an antioxidant effect.

Zeomineral *Asta-Biloba*

Dietary supplement capsule containing Ginkgo biloba, Citrus bioflavonoid and Astaxanthin

Asta-Biloba contains an extremely high content of Hesperidin (flavonoid), its deficiency symptoms might be as follows: headache, weakness, leg cramps at night. Hesperidin also contributes to improving the health of capillaries and veins.

The added Astaxanthin increases its effectiveness and makes it unique. It's an antioxidant that helps maintain the strength of the immune system.

Dosage: 1 capsule per day

Warning: The consumption of the dietary supplement is not a substitute for a varied diet and a healthy lifestyle. Do not exceed the recommended daily dose. The product must be carefully kept away from small children!
