

Network building I - Registration - Getting started

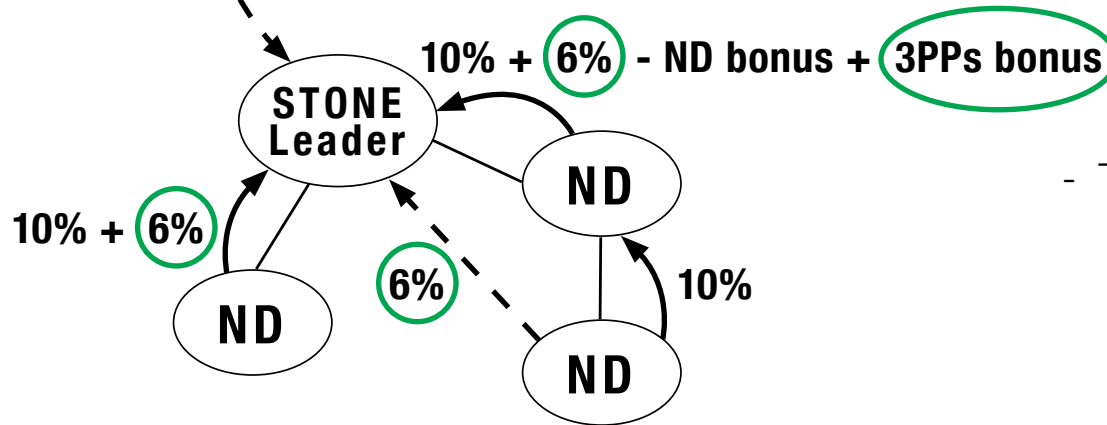

a)

A total amount of 3PPs in 2 consecutive months.

- Bonuses are determined based of the EP (Enter Price).
- No activity needed to obtain ND bonuses.

b)

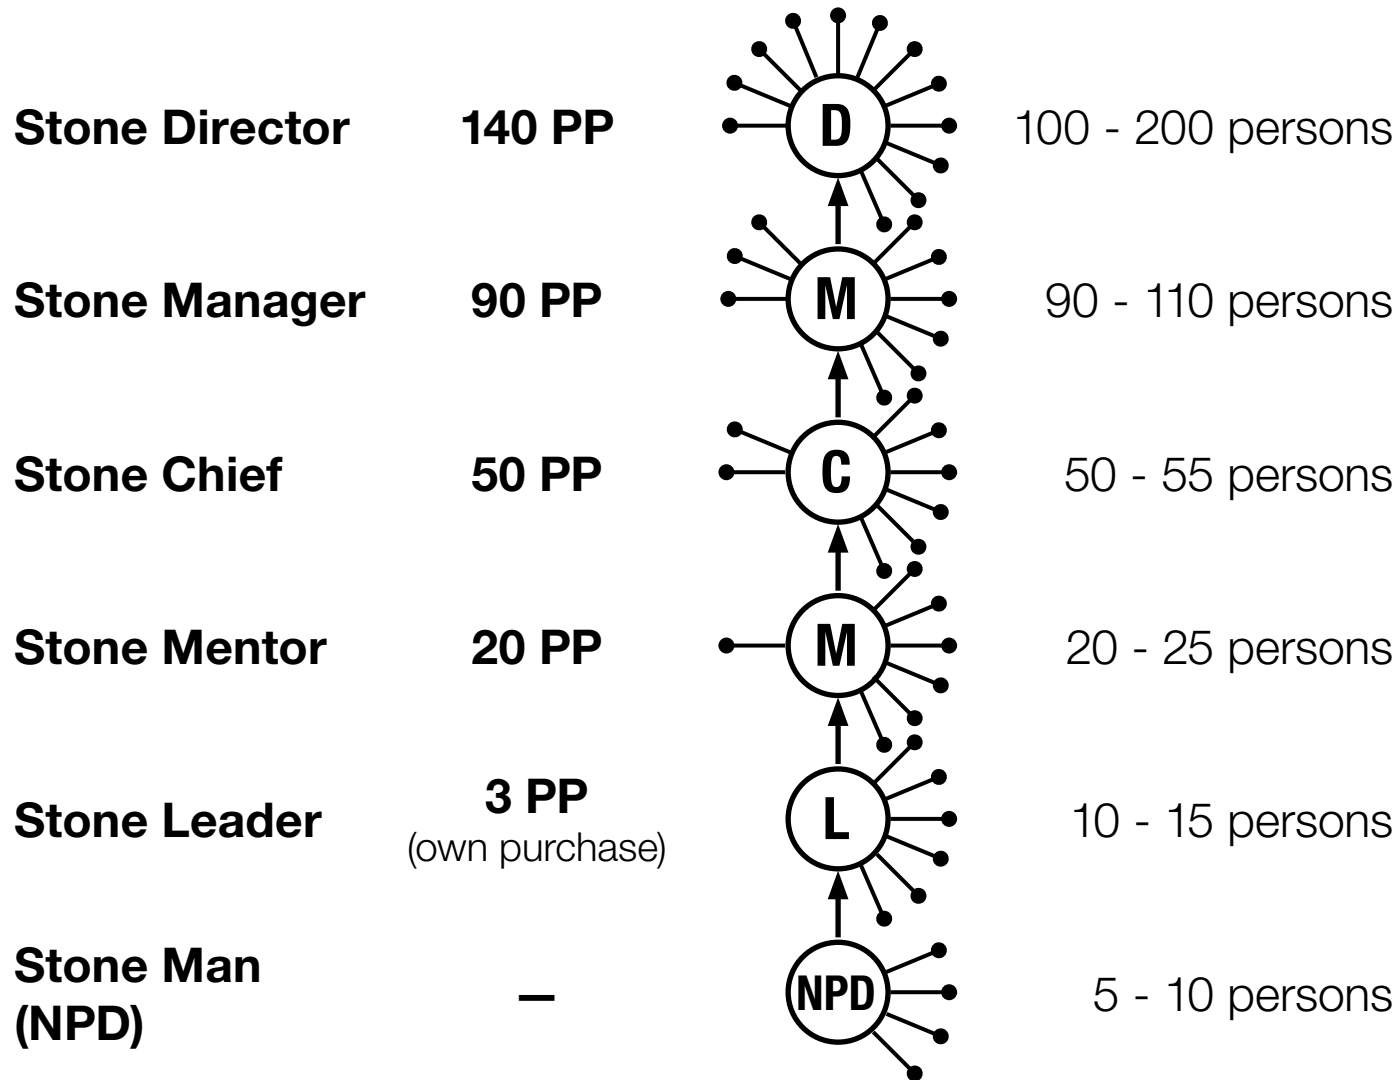

- To obtain the 3 PPs bonus (WP bonus) a monthly purchase of 1PP is required. This is only important in case of certified levels (Leader, Mentor, Chief, Manager, Director)

KEEPING LEVELS - Once you reach a certified level, it is obtained for good.

NE DELETION - Registrations are not deleted in case of inactivity (no purchases made).

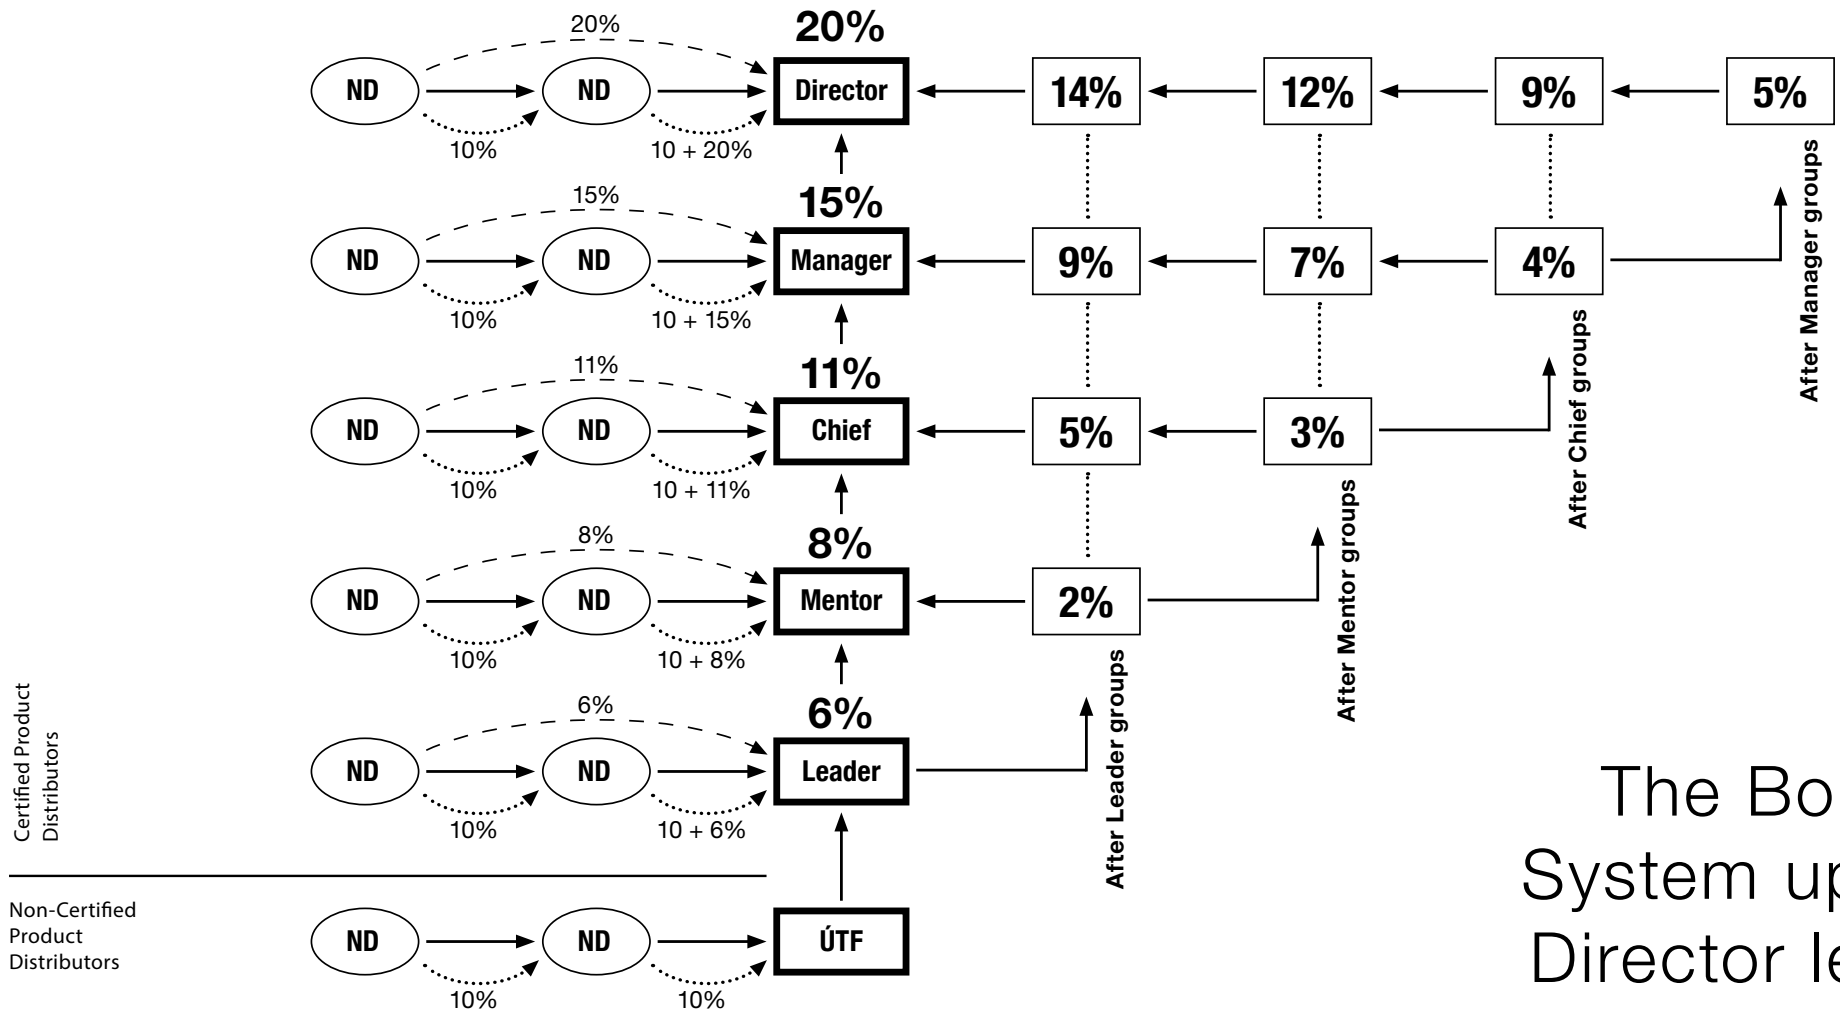

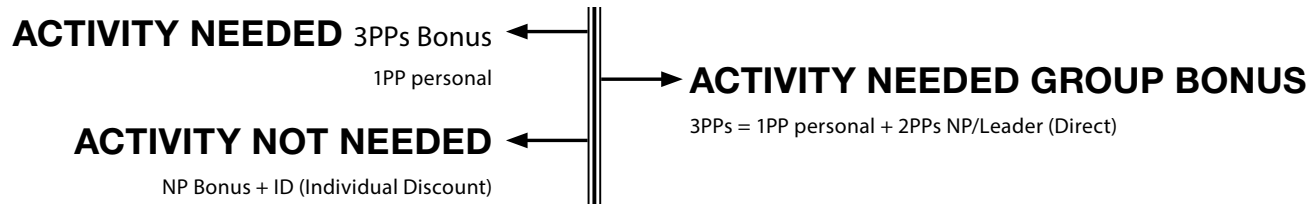

Network building II - Number of registered NPDs recommended to reach managerial and financial tiers

It can be found under the „Directly Sponsored” menu item of the web office.

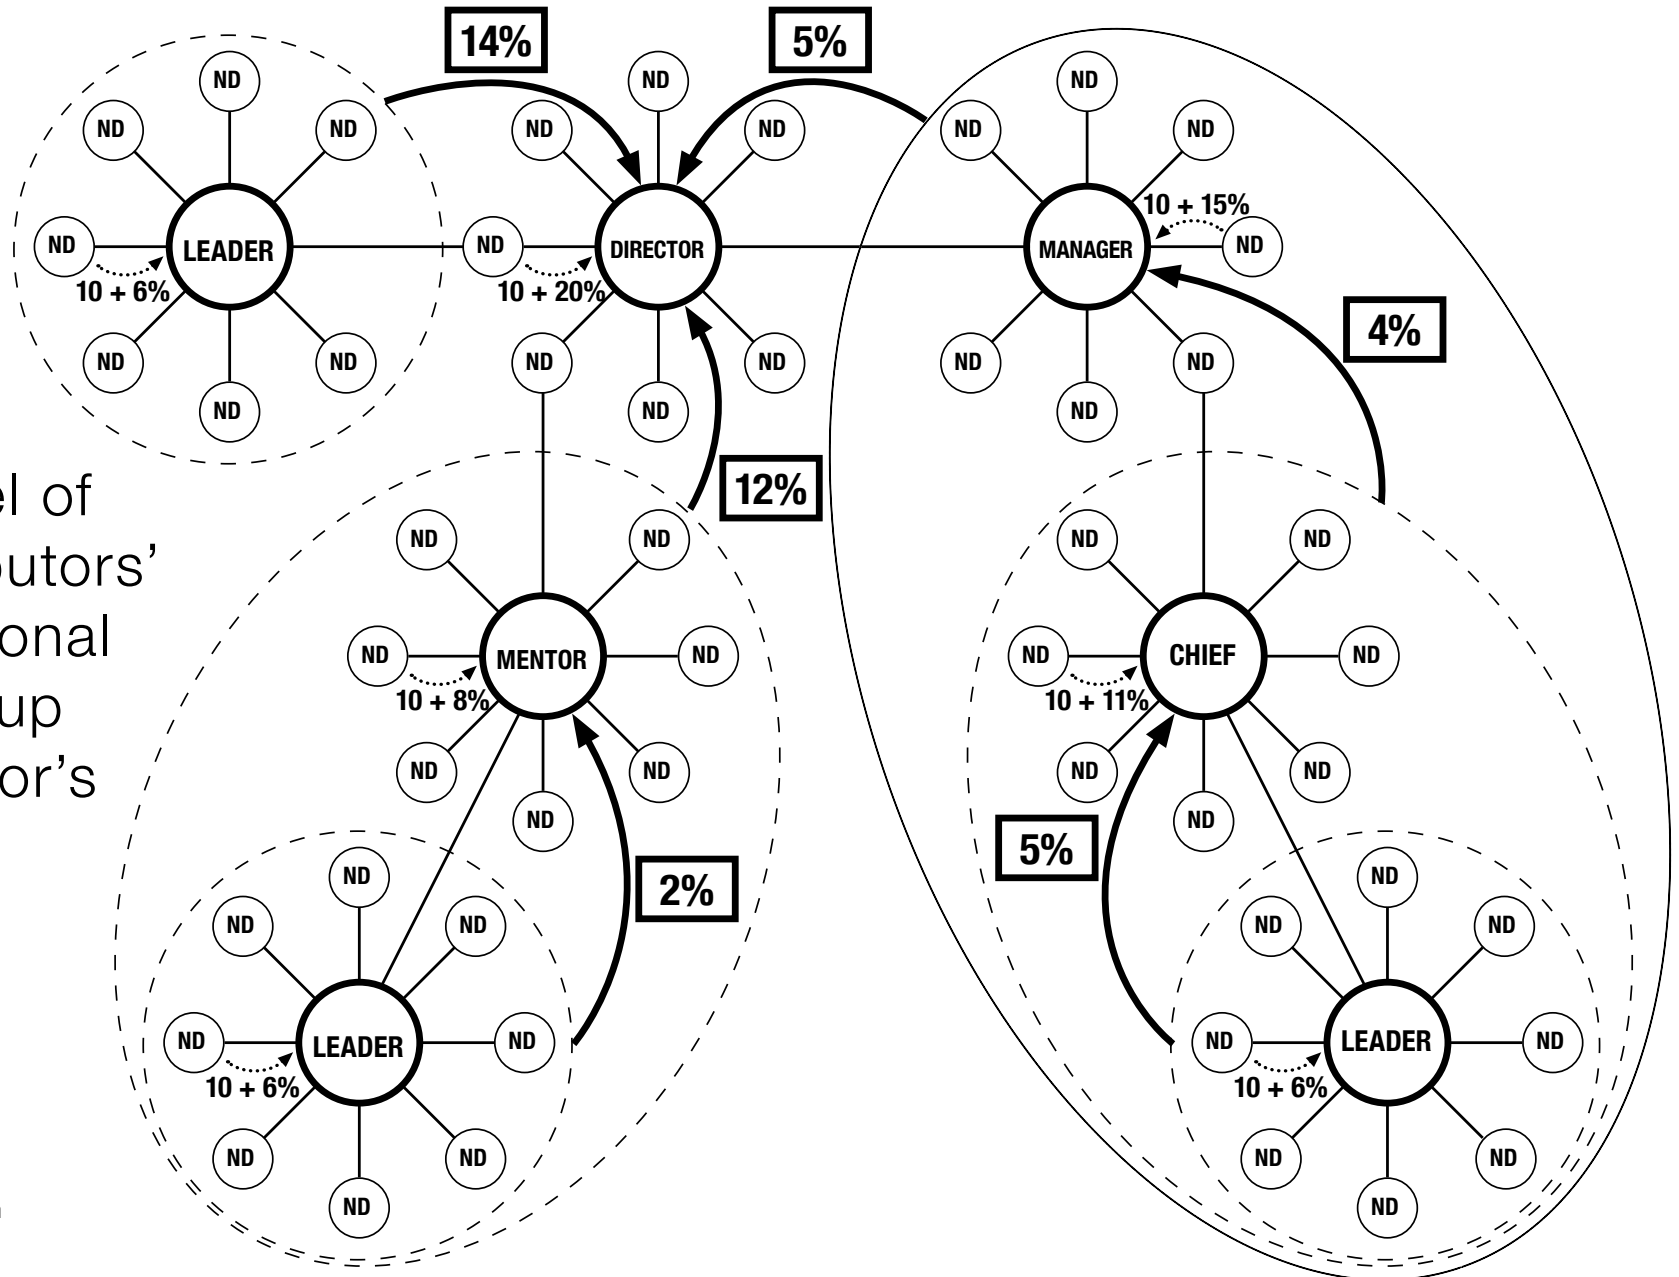

Each successive 2-month cycle can be used to reach qualification levels. There is no going back from the qualified level - the level is maintained!

Network building II - Managerial and financial tiers

The Bonus System up to Director level

Network building II - Managerial and financial tiers

The model of the distributors' organizational structure up the Director's level.

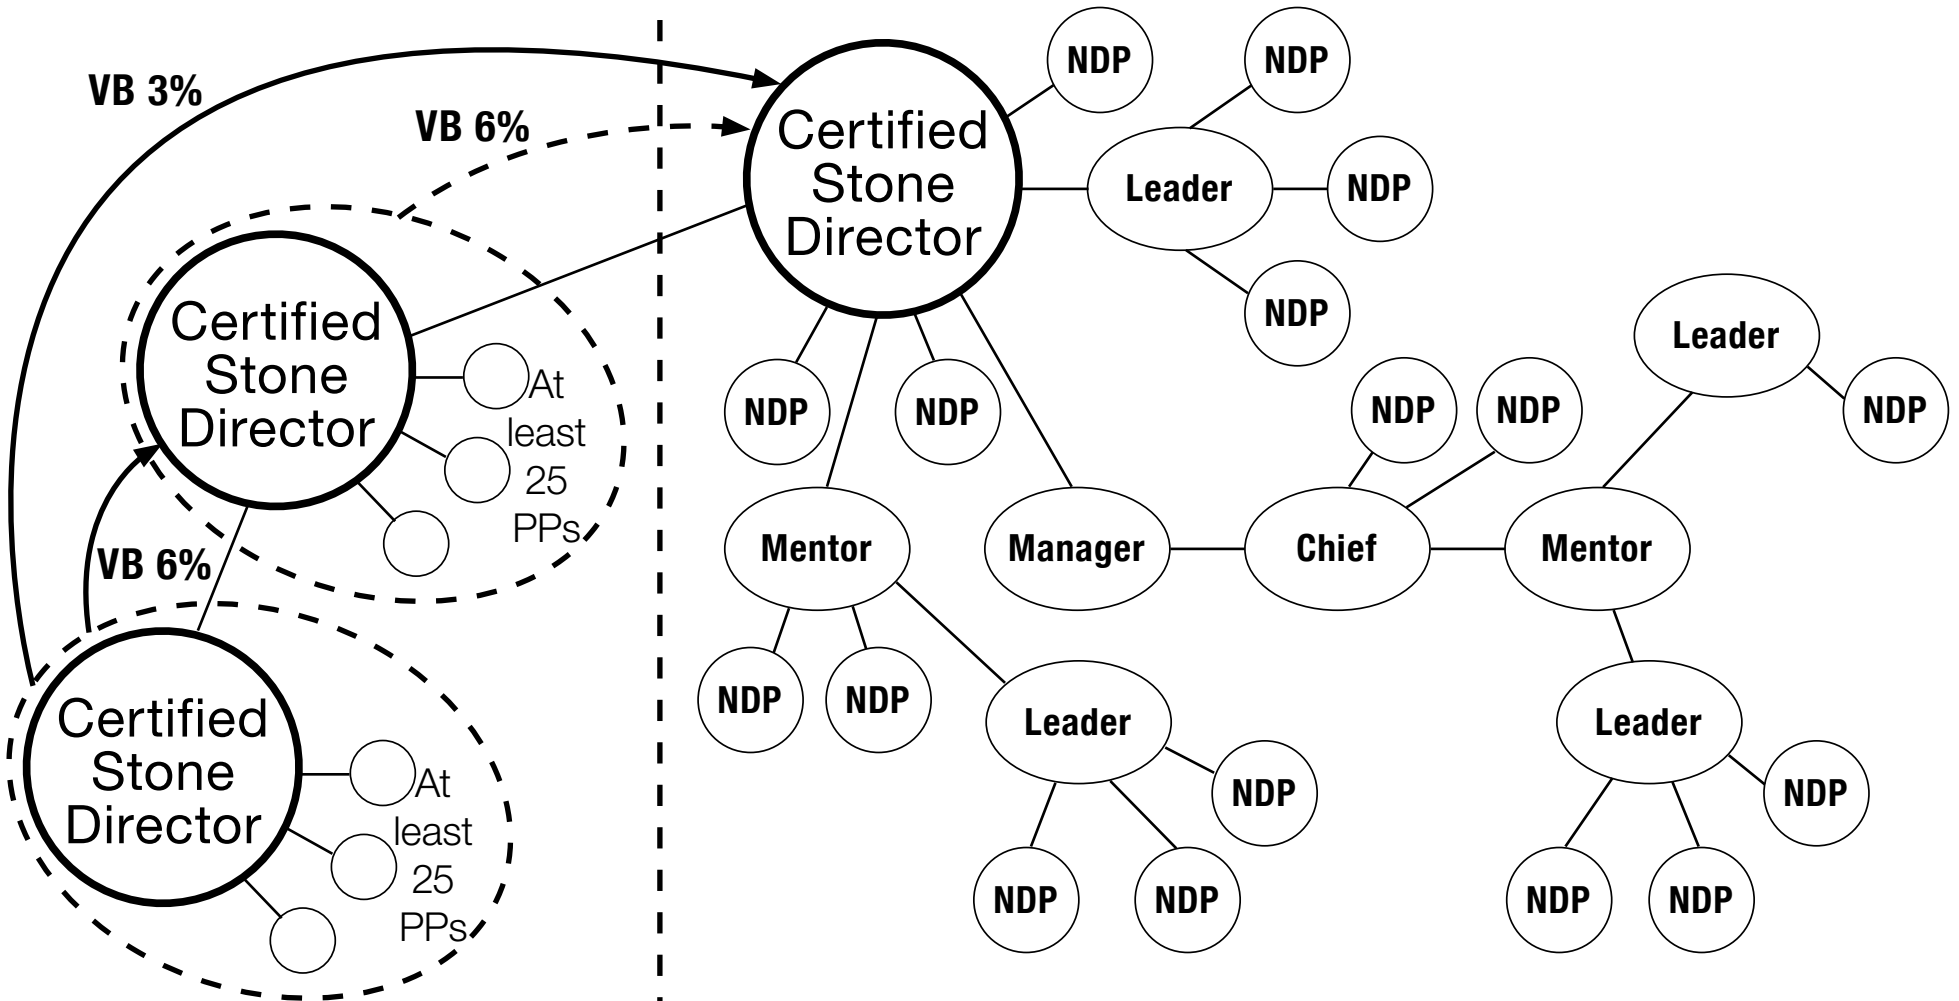

%

GROUP BONUS

Bonuses are derived from the EP price (net).

Network building III - Directorial Trade

LB - Leadership Bonus

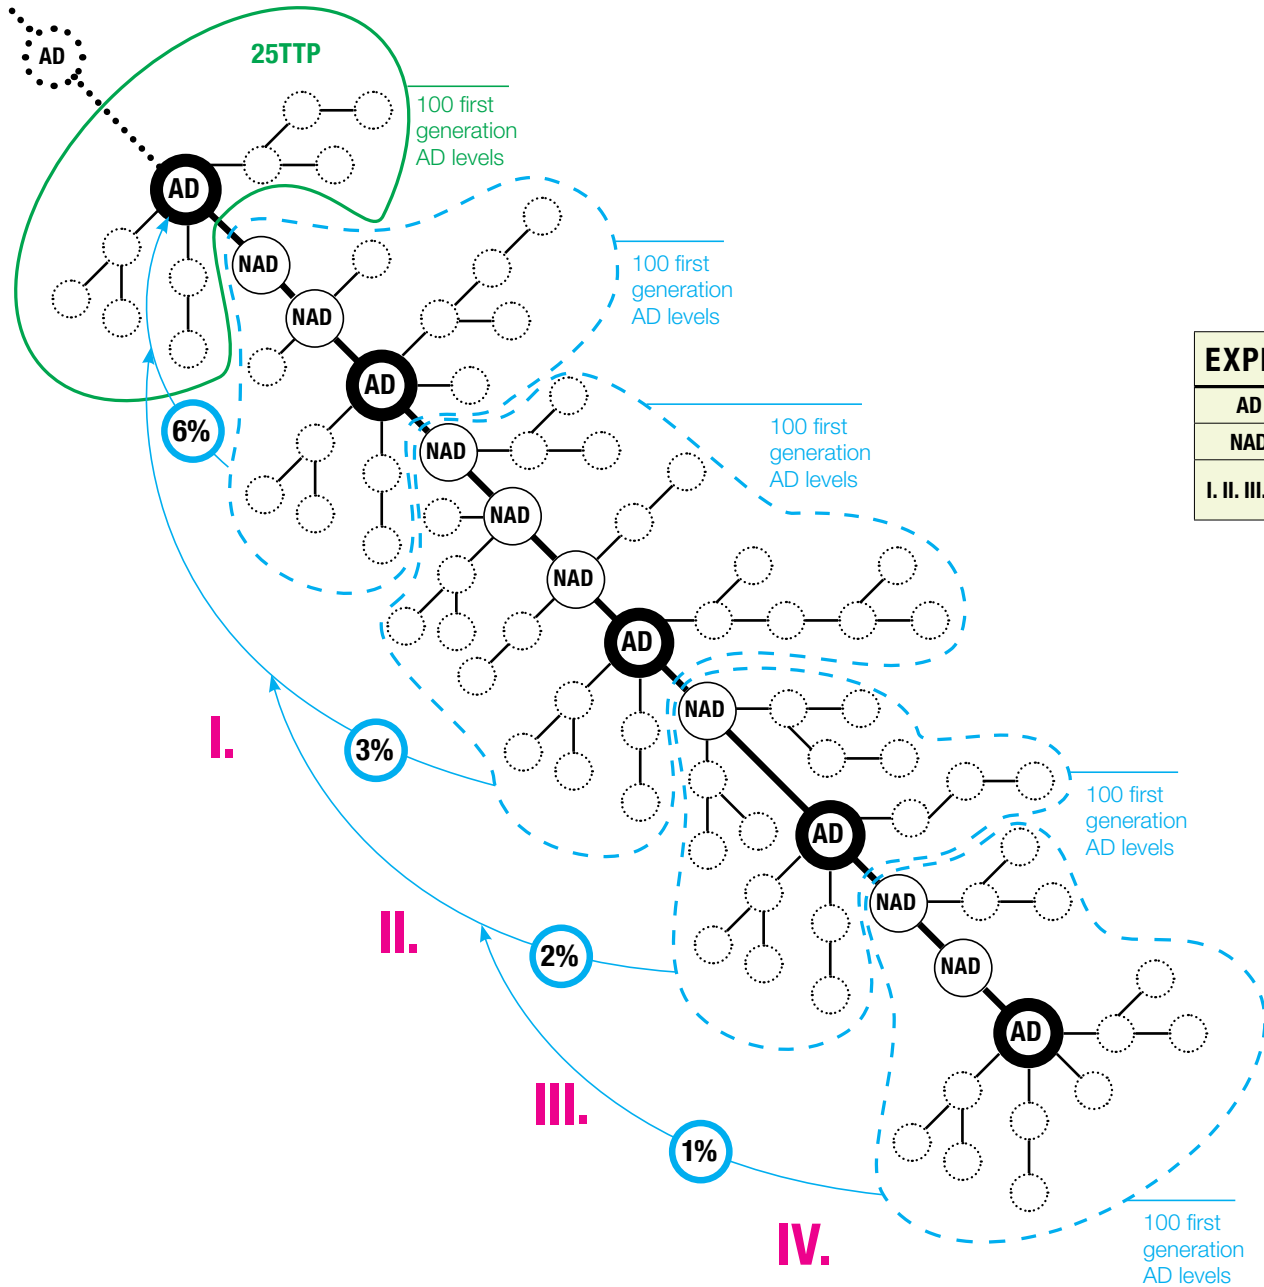

DIRECTORIAL PRODUCT POINTS

A minimum of monthly 25 PPs must be achieved for the bonus.

NON-DIRECTORIAL PRODUCT POINTS

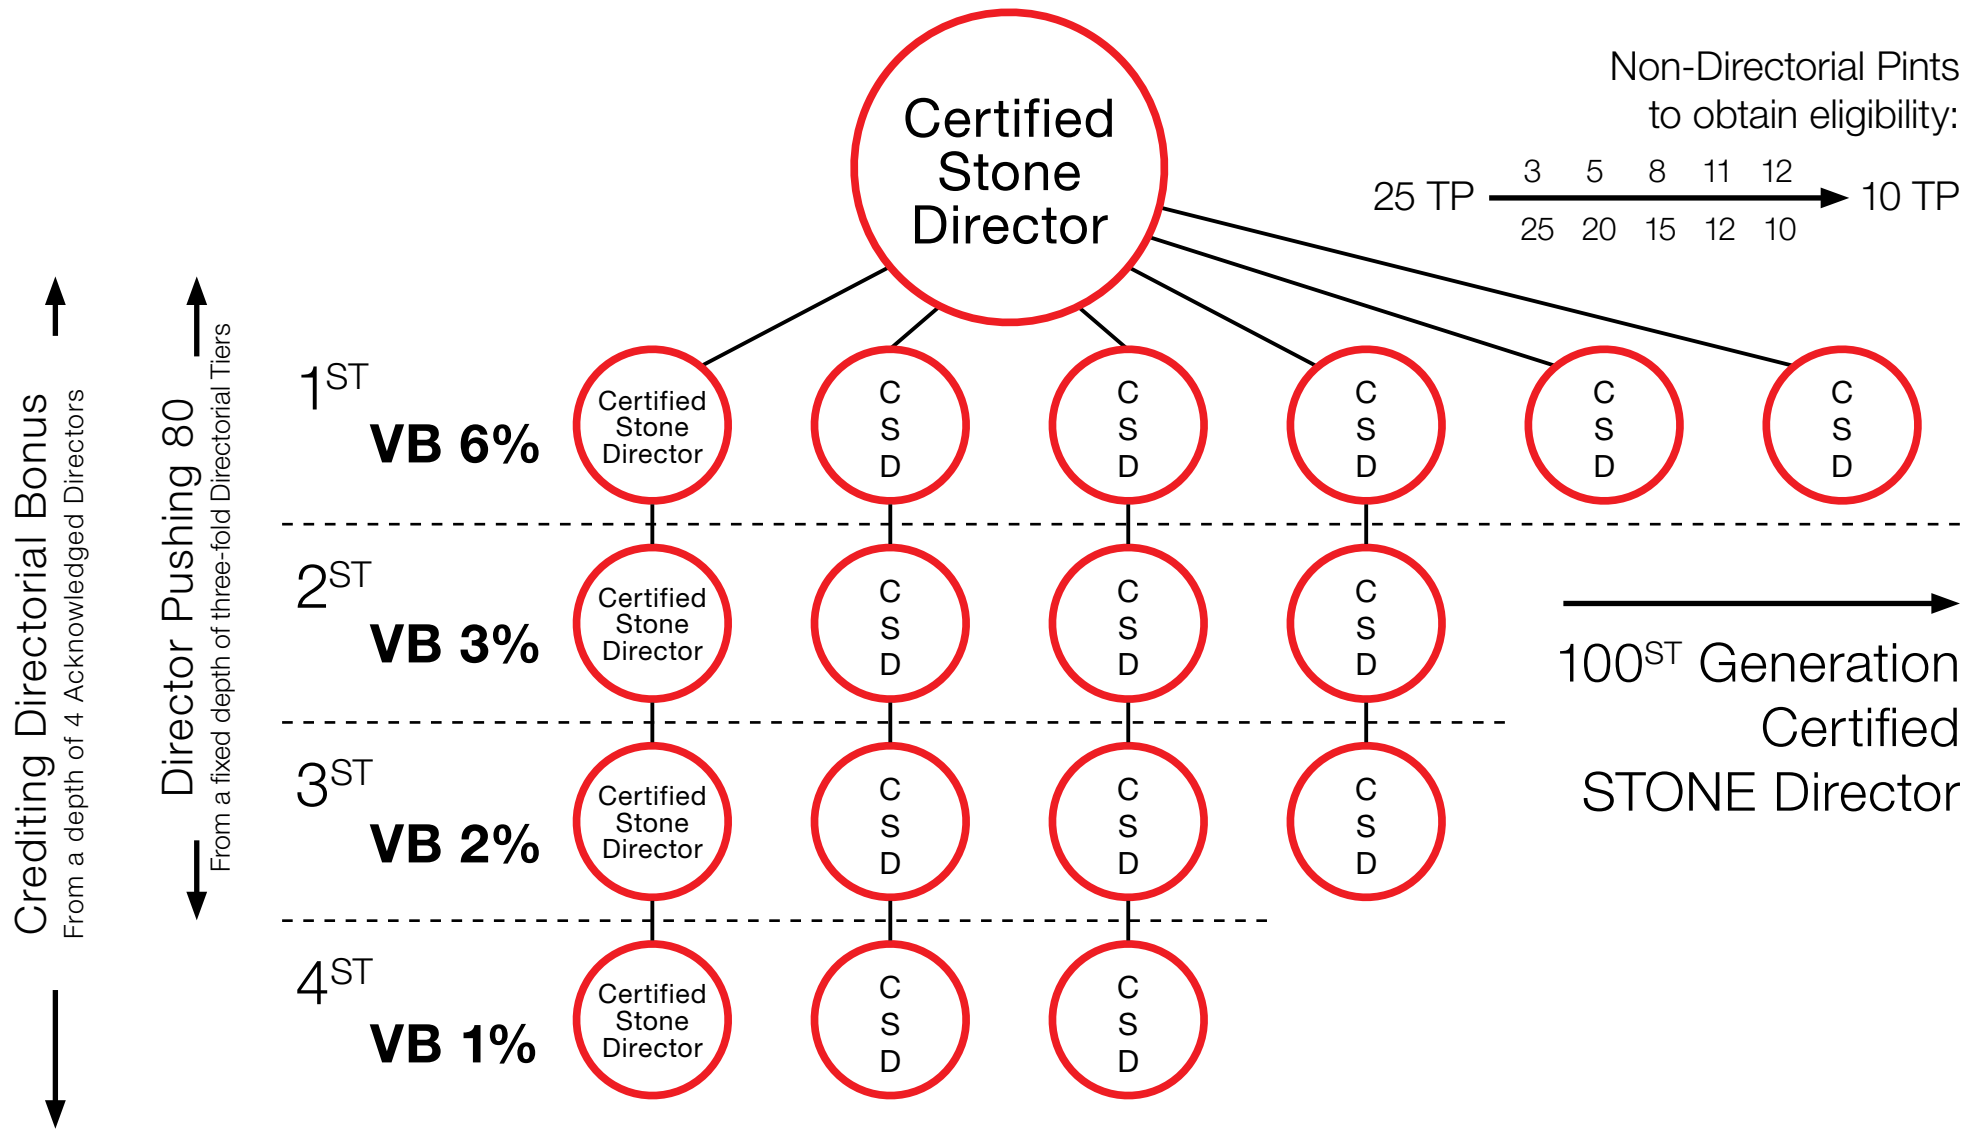

A minimum of monthly 25 PPs must be achieved to obtain the DB eligibility. To achieve the Certified Directorial Level, one needs 100-200 distributors.
